

**Full-time associate professors (or professors) at
College of Elementary Education
Hainan Normal University**

The College of Elementary Education at Hainan Normal University was established in June 2003. College's primary school education major is one of the first batch of characteristic specialty areas in Hainan, was further selected in 2009 as one of the fourth batch of characteristic academic programs at the national level, and was recognized as an Outstanding Teacher Training Program by the Ministry of Education.

The College of Elementary Education is looking for highly motivated and dynamic individuals for full-time associate professor (or professor) positions starting September 2020 or as soon as possible thereafter.

Full-time associate professor (or professor)'s responsibilities will primarily consist of:

- 1. research, including publication/academic dissemination duties
